

Crossways Newsflash!

**Salcombe holiday house (sleeps up to 10 in 4 bedrooms)
or Garden Flat (sleeps 5 in two bedrooms).
Or book both properties for a family get together.**

Well behaved dogs are most welcome for £25 per stay.

The house itself has been recently refurbished and has a lovely, bright, open-plan downstairs area, awash with light from its many picture windows and a well equipped, stylish contemporary kitchen diner with archway through to the spacious lounge equipped with TV, DVD player and music centre. Upstairs, the first floor has a double bedroom, a twin/double (zip'n'link) and a twin, plus a family bathroom (with bath and shower), whilst the attic room on the floor above has a double with Vi spring mattress and en suite shower room.

The Garden flat benefits from lovely views of Batson Creek, the surrounding countryside and town below. It has been thoughtfully furnished in keeping with the main house and sleeps 5 in one double and one twin with a sofa bed.

The main house has stunning views from the roof terrace, (very safely enclosed), which is accessed via sliding doors from the main kitchen of the house. Or enjoy the pretty lawned garden when staying in the Flat. Both boast outdoor furniture and barbeques. Either has enough space for a small paddling pool or scooting about on a small ride-on.
